YALE HOUSING NEWSLETTER

MARCH, 2020

OUR HUB

We have a new schedule of activities, new opening hours and a new face in our Hub since our last newsletter! We welcome Vegas as our new Hub host – helping you all with advice and signposting you to the correct people should the need arise!

We are now open 5 days a week, which means Wednesdays are now open – no more midweek shutdown.

Don't forget, the Hub is there for you. If you need to report a repair, have a housing issue, need advice or would just like a chat – there will always be a Housing Officer on hand to support you.

COMMUNITY LIBRARY

We have recently had an influx of books being donated to our service, which has given us a unique opportunity to improve the services we can offer from our Hub.

We would now like to offer our visitors the chance to borrow a book or DVD to enjoy at home, then return when it is finished.

There is a simple sign-in/sign-out process to complete and then you can enjoy the media we have to share!

We give thanks to everybody who made this possible, with the donation of high quality books.

COMMUNITY TRIPS

We have some exciting community trips coming up over the next few months, all organised by our very own Tenant Rep – John. All dates will be confirmed on the board in the Hub.

March – Saddleworth Museum

April – Portland Basin

May – Manchester Museum

FOODIE FRIDAY

Our talented tenants continue to wow us with their dedication to our weekly buffet. The number of visitors grows every week, with people who are excited to see what our tenants have made each week.

Our Friday buffet is on 12.30 – 3pm every week, you can normally catch the staff being tempted by a bowl of too as well. It's a great opportunity to come and socialise and meet the other tenants.

VOLUNTEERING AND MOVE ON OPPORTUNITIES

Here at Yale, we want to empower you to be the best version of yourselves. We are keen to help you access volunteering opportunities that are suited to your interests and your skills (of which we know you have many!). Whether it be administration, animal work, retail or gardening – we are here to help you find your perfect placement.

Yale are also dedicated to helping you move on from supported living once you are ready. We can help you sign up to local social housing registers or look for private accommodation. Just ask your Housing Officer for your next steps.

TENANT'S COUNCIL

Don't forget – we have set up our new Tenant's Council and we want you to be involved! If you want your voice heard, and think you can speak on behalf of your fellow tenants, then come and join us for monthly meetings. We will discuss how we can support you further and improve our services, but we can only do it with your help.

Pop down to the Hub or speak to your Housing Officer to discuss joining us.
